Kilgore (ER Lobby)

CHRISTUS Good Shepherd Emergency Center – *Kilgore* Team Saves Baby

Just two weeks ago Mrs. Candace Miller brought eleven-month old son Silas Miller to the CHRISTUS Good Shepherd Emergency Center - *Kilgore* because of respiratory concerns. Fortunately, she did because within minutes of arrival the ER team had to perform life-saving measures on young Silas. Silas was life-flighted to Children’s Medical Center of Dallas and has now made a full recovery.

Please join us Wednesday, May 17 as mom and baby reunite with the ER team who saved her son’s life.
